## Rate Plan Details

<b>250 Nationwide Pooled Minutes</b>	Every phone on the State of Alaska contract adds 0-250 minutes to a pool that departments pull from.
<b>Unused minutes carry over to the next month</b>	If there are any unused minutes at the end of the billing period, they will be carried over to the next billing period. This adds even more minutes to the pool. These minutes that carry over will not expire until used.
<b>Unlimited Text and Multimedia Messages</b>	Every phone on the State of Alaska contract has unlimited text and multimedia messages.
<b>Unlimited Incoming Messages</b>	Voicemail service is included with your service. Information on how to set this service up is found in your product brochure.
<b>Nationwide Coverage</b>	All State of Alaska phones will have the ability to make and receive calls in all 50 states without incurring additional charges.
<b>Unlimited Mobile-to-Mobile calling</b>	All State of Alaska phones have unlimited calling to any wireless phone
<b>Unlimited Nights &amp; Weekends</b>	All State of Alaska phones enjoy unlimited calling between 9pm and 5:59am Mon – Fri, and all day Sat & Sun.
<b>Unlimited Long Distance</b>	You are not charged any additional fees for making domestic long distance calls.

Wireless device accessories are available at GCI's advertised retail price. Accessories include Bluetooth headphones, vehicle power adapters, cases, clips, and more.

All orders for equipment and services must be submitted via the state's SDM system, and must be approved by an authorized state financial approver prior to initiation and equipment pick-up or delivery.

**Note that this contract is mandatory in the Anchorage (including Fort Richardson and Elmendorf Air Force Base), Fairbanks, and Juneau areas.** In order to purchase a non-GCI device or service in these areas, a customer must demonstrate why a GCI device or service/coverage does not meet their needs. A waiver form has been developed and must be submitted and approved prior to purchasing a non-GCI device or service in the above areas. The waiver form is available here:

<http://doa.alaska.gov/ets/networksvcs/MobileDevices/contracts/index.html>

All wireless device purchases outside of the above areas do not require a waiver. However, agencies must solicit all available competition. If GCI is the successful bidder, please submit an ESO. Note that the state has an agreement with AT&T which provides wireless device/service options in areas throughout Alaska: <http://doa.alaska.gov/ets/networksvcs/MobileDevices/contracts/index.html>
